

VULNERABLE ADULT POLICY

A vulnerable adult is an individual over the age of 18 who is mentally or physically challenged to a degree that may significantly impair that person's ability to provide adequately for his/her personal needs and manage his/her behavior without assistance.

A parent/guardian or caregiver 18 years of age or older must be responsible for monitoring the activities and managing the behavior of vulnerable adults during their Library visits.

Physically challenged adults who are capable of providing for their own needs are welcome to remain in the library without supervision so long as a contact person is available in the event the adult's health or safety is in doubt.

The rules for vulnerable adults at closing time shall be the same as the rules for an unattended child.
