The Parma Public Library has no age restrictions on any material in its collection and does not issue cards without parental permission. The Library does not operate in place of the parent with regards to the materials chosen by children. Parent and child must be present to issue library card.

Fines/fees accrued by the child are the responsibility of the parent/legal guardian. Parma Public Library uses a collection agency for debt recovery. Debts of \$35 and over will be submitted to Unique Management Systems for collection.

I understand that the library's entire collection is accessible to children. I give permission for my child to have a library card. In addition, I understand that as a parent/legal guardian it is my right/responsibility to supervise my child's selection of materials.

I would like additional borrowing restrictions placed on my child's card for DVDs and will allow my child to borrow rated _____ or under.
